Trinidad and tobago solar storage

TriPower Solar Solutions is a Caribbean based Solar Energy & LED Lighting Company backed by 25 years of experience with the sole purpose of bringing efficiency through renewable energy to the Caribbean & South American Region and other developing and emerging markets.

Our company design and installs LED Lighting,Solar Projects directly, delivering electricity both for On Grid & Off Grid Solutions, Solar Hot Water Heater Systems, Solar LED Commercial & Industrial Lighting and Energy Storage Systems for Schools Hotels, Private Homes, Warehouses, Airport Lighting, Industrial Complexes, Sporting Fields, Parks & Commercial Areas.

Solar is the perfect option for increasing your home"s energy efficiency. Investing in solar panel installation and services could allow you to save money on utilities, while also cutting down on your carbon footprint..

When government agencies and municipalities use solar power for their electricity needs, they insulate their organizations from steeply rising utility prices and build themselves a more robust and controllable energy supply system.
