UPS Systems amp Replacement Batteries

At VPS UPS we our aim is to make the purchase of UPS (Uninterruptible Power Supply) and replacement batteries as straightforward and cost effective as possible; our number one goal is to deliver your company absolute energy efficiency and power protection in an environmentally friendly way.

Our online store, with a database of over 1,000 products, features all the leading manufacturers of UPS, such as Eaton UPS, Riello UPS, APC and Ablrex offering the complete power solution for your needs. This site is primarily our E-Store we have launched our new corporate site here.

I ordered a replacement battery for a UPS. Staff were still answering the phones when I called to check stock at 18:30 which impressed me to begin with. Item was in stock and arrived with me within 48 hours. They were also by far the cheapest I could find. Full marks - excellent service!
