If you're chronically sick or disabled, VAT relief means you can buy certain items VAT free, which saves you money. Charities can get this benefit too, by just giving their charity number. To qualify, you need to have a long-term health issue that really affects your day-to-day life, a condition that doctors say is ongoing, or be terminally ill. But, it's not for people who are only temporarily disabled (IE Broken Leg) or just elderly.

Getting VAT relief is quite simple. During checkout you just have to say who the items are for and what their health condition is, with no need to show any medical documents, it only takes a few seconds!. But, remember, this only works for certain items made to help out, like mobility scooters, wheelchairs, and bath lifts.

Fulbat Batteries, a French based company and are present in both replacement and OEM markets. Founded in 2005, Fulbat are constantly developing, manufacturing and selling Lead-Acid, Gel, MF Maintenance Free and Lithium powersports batteries. Specialising in Motorcycles, Scooters, ATVs, SSV-UTV, Watercraft and Snowmobiles. No matter what type of vehicle you have or how you use it, Fulbat's wide range of starter powersports batteries have been developed to satisfy all current market requirements.

The GEL battery range is designed to offer maximum performance and safety! Ready to use, the GEL battery will not require any acid handling, initial preparation or maintenance. Non-spillable design (VRLA) linked to its high performance make it the ideal battery for all powersports applications.
