Where is Brazil located map

Welcome to MapsOfWorld's Brazil Map page! Brazil is the largest country in South America, covering over 8.5 million square kilometers of land. The country has a diverse geography, ranging from the Amazon rainforest to the tropical beaches of Rio de Janeiro.

In addition to the detailed map of Brazil, this page provides useful information about the country's geography, culture, history, economy, and tourism. Brazil is home to a number of famous landmarks, such as the Christ the Redeemer statue in Rio de Janeiro and the Iguazu Falls on the border of Brazil and Argentina. Brazil is also known for its vibrant culture, including its music, dance, and cuisine.

Brazil is a federal presidential constitutional republic with three independent branches – executive, legislative, and judicial. The executive power is headed by the President, currently Jair Bolsonaro, advised by a cabinet. The seat of the federal government is in Brasilia.

Brazil is the ninth-largest economy in the world and is known for its agricultural, mining, and manufacturing sectors. The country is a member of the BRICS group of major emerging economies and has a diversified economy. In 2020, Brazil's gross domestic product (GDP) was \$1.4 trillion. The country's major exports include soybeans, coffee, iron ore, and crude petroleum. The Gross National Income (GNI) per capita in Brazil in 2020 in purchasing power parity (PPP) terms was USD 14,480.

The Ministry of Defense of Brazil or the Ministerio da Defesa is the organization responsible for managing the military of Brazil, headed and managed by the Minister of Defence. The Ministry of Defense has three major components under its command structure – the Air Force Command, the Army Command and the Navy Command. Other agencies operated by the Ministry of Defense are the Infraero, National Civil Aviation Agency, and the Superior War School.

Brazil is a popular tourist destination, known for its natural beauty, vibrant culture, and famous landmarks. The country has a number of popular tourist destinations, including the beaches of Rio de Janeiro, the Amazon rainforest, and the Iguazu Falls. Other popular tourist attractions in Brazil include the Christ the Redeemer statue, the city of Salvador, and the Pantanal wetlands. In 2019, Brazil received over 6.6 million international tourists, generating approximately \$5.9 billion in revenue.

The life expectancy of a Brazilian is 76.1 years (as of 2020), and the country spent approximately 9.2% of its gross domestic product (GDP) on healthcare in 2019. The literacy rate in Brazil for people aged 15 and above is 93.2% (as of 2019). In terms of education expenditure, Brazil spent approximately 5.3% of its gross domestic product (GDP) on education in 2018.
