Where to direct solar panels in ghana

Generate clean, renewable electricity for your home, business, marine vessel, or RV using solar panels from EcoDirect! Located near San Diego, California, EcoDirect sells solar panels online and offers will-call options for local customers. For sizing help, please call us at (760) 597-0498 x2.

Solar panels convert sunshine into renewable electricity. They come in all shapes and sizes, from durable thin-film solar panels to rigid aluminium-framed crystalline solar panels. Most solar panels for sale come with a 25 year power output warranty so you can be sure your investment will last well into the future. We carry solar panels from major manufacturers including Mission Solar, Trina, Silfab, Panasonic and Qcells.

An investment in solar power today for your home or business protects you from rate hikes by utility companies and locks in your electricity rates. The right type of solar array can also provide you power during a power outage. Costs for going solar keep dropping, and with available financing options, home solar arrays have become something every home owner can afford.

Solar is relatively straightforward, but it can be overwhelming at first. If you"re thinking about buying solar panels but aren"t sure where to start, give our solar experts a call at (760) 597-0498 x 2. They will walk you through the process of sizing a solar array and ensure you have all the right bits and pieces for your home. If you"re a Southern California resident, they can even help you find a local installer.

We are an online retailer and distributor of solar panels, solar accessories, and energy storage systems (ESS), located in north San Diego County. If you are in the Southern California area and are interested in picking up an order or just coming in to say hello, please give us a call at (760) 597-0498.
